CABERNET SAUVIGNON

Tastes like Cabernet!
Mid-weight, high altitude Cabernet with fine tannins and silky texture. Has a little merlot added for fun. Steaks of course, but is also a wonderful summer sipper.

MERLOT

Bursting with berry fruit flavors. A mouth filling, meaty merlot that still satisfies your craving for a round soft middle. Cherish with stews, pasta or just a plate of cheese, olives and your salumi.
