

The Messenger Telegram Red Wine Number 2

Wine, words -- both are simple things capable of great complexity.

Like words, wine can convey a great many things. The complexity of our wine comes from embracing the art of blending ... layering vintages, vineyards & varietals to obtain luscious flavor.

The result is a thousand stories, but only one message ... Enjoy our wine for what it is, an expression of the land that grew it and the hands that have touched it.

Two layered vineyards, varietals and vintages of Grenache 60% Mourvedre 19% Syrah 18% Viognier 3% to create a signature wine. Rounded blackberry & cherry flavors are wrapped in sage to delight from nose to finish.

If you have the confidence to embrace something original (really...it is such an old concept, it's new again) you will be rewarded with each sip. If not, order something else.
