**Wine, words -- both are simple things capable of great complexity.**

**Like words, wine can convey a great many things. The complexity of our wine comes from embracing the art of blending ... layering vintages, vineyards & varietals to obtain luscious flavor.**

**The result is a thousand stories, but only one message ... Enjoy our wine for what it is, an expression of the land that grew it and the hands that have touched it.**

## **RED WINE *Number ONE***

We layered vineyards, varietals and vintages of Cabernet Sauvignon 62%, Merlot 22%, Malbec 15% and Petit Verdot 1% to create a signature wine. Bright raspberry tickled by vanilla and with a chewy mouth feel will keep you excited and asking for more.

If you have the confidence to embrace something original (really...it is such an old concept, it's new again) you will be rewarded with each sip. If not, order something else.
