

## The Messenger Telegram Sauvignon Blanc

Wine, words -- both are simple things capable of great complexity.

Like words, wine can convey a great many things. The complexity of our wine comes from embracing the art of blending ... layering vintages, vineyards & varietals to obtain luscious flavor.

The result is a thousand stories, but only one message ... Enjoy our wine for what it is, an expression of the land that grew it and the hands that have touched it.

Single vineyard Sauvignon Blanc from the sustainably farmed Beckstoffer Amber Knolls site in the Red Hills of Lake County. The fruit was night harvested and underwent a slow cold fermentation for over 2 months in stainless steel. We used free run juice, with some pressings added back.

Result: A crisp and refreshing wine that has enough acid to pair with traditional (chicken) and non-traditional (spring rolls) dishes to yield surprising and satisfying results.
